

Worksite Lighting Explosion-Proof LED String Light

SPECIFICATIONS

Worksite Lighting Explosion-Proof LED String Light

ROBUST AND EFFICIENT:

Made in America, our Explosion-Proof LED String Lights are designed to tackle challenging environments such as Industrial Rentals, Refinery Maintenance, Military, and Offshore Drilling.

The robust construction of the machined aluminum housings, cast aluminum guard, toughened glass lamp globe, and abrasion resistant cord define their durability

EXTRAORDINARILY BRIGHT:

Each lamp in our Worksite Lighting string lights generates up to 1,500 lumens each, delivering a combined total of over 7,500 lumens of clear, true-to-color light similar to natural sunlight for 5-Lamp Strings, 12,000 for 8-Lamp Strings and up to 15,000 for 10 Lamp Strings. Our lights enhance the environment of your work area, making it not only safe and visually comfortable, but easier for inspecting structural elements and finishes without distortion

LOW-PROFILE DESIGN:

Our LED string lights are designed to seamlessly fit into diverse settings. They can be moved around and hooked to different points on your scaffold, providing a flexible and manageable configuration that can easily meet the requirements of your workspace.

SUPERIOR SAFETY FEATURES:

Our Worksite Lighting string lights prioritize safety by functioning at cooler temperatures to accommodate maximum ratings for hazardous environments. Our lighting set carries a Class 1, Division 1 rating for Groups C and D, and Class II, Division 1 Groups F and G. Furthermore, these lights have the added safety feature of being explosion-proof, each drop light cannot spark if pulled apart or dragged.

Worksite Lighting Explosion-Proof LED String Light

SPECIFICATIONS

Product Specification Overview:

Specifications:

Dimensions:	Each lamp: L-16.5" Diam-5"
Voltage:	120-277V AC or 11-25V AC/DC
Single Lamp Watt:	10 watts
Lamp Life:	50,000+ Hours
Color Temp:	5600K
Globe Guard Material:	Copper-free Cast Aluminum
Globe Material:	Hardened Borosilicate Glass
Handle Material:	Rubber
Mounting:	Handheld / Hanging via Aluminum Hooks

Only trust Worksite Lighting String Lights to illuminate your workplace with the utmost safety and efficiency.
